

LABRADOR TIGERSTIX

CONDITIONS OF USE – RUNAWAY BAY SUPER SPORTS CENTRE HOCKEY TURF

6 February 2018

The water system is now an automated timer, this is set up to run 15mins prior to each clubs booking time. This will significantly decrease any delays to the start of training session however I need clubs support to ensure NO athletes are on the pitch while the water is on. It will be the responsibility of the club coaches to keep athletes off of the pitch until the water cycle is completely finished.
